FEC # C 00336388

Dear Ms. Sheppard:

I am writing in additional response to the above-referenced letters and to memorialize our previous conversations. As noted previously, a comprehensive response is due the Commission for Item 4 as set forth in said above-referenced letter dated 10/27/98. With respect to Item #4, our response is to be supplemented, as follows:

- A. For the reporting period July 1, 1998 through August 26, 1998 (the period specifically addressed in the above-referenced letters), the report filed showed forty-one (41) parties for which employer/occupation information had been requested.
- B. During the intervening period, the Committee obtained updates on twenty-one (21) of said parties (see attached). Twenty (20) parties remain for which information is missing.
- C. The Committee will undertake a round of follow-up letters to said parties. A sample information request letter is enclosed. The Committee proposes to update the Commission with respect to the results of this follow-up effort concurrent with the filing of our year end report.

Should you have any questions or further requests concerning the above, please contact me at said address or numbers. Your consideration in this matter is most appreciated.

Sincerely,  
CAPUANO FOR CONGRESS COMMITTEE
